

Vita Zapper

Vita Zapper is a breath of fresh air taking acoustic/rock to a new level.

This professional unit has been years in the making and now audiences are being captivated by the musicianship and professionalism that is Vita Zapper.

The Trio will perform a full night of easy listening music, yet with their versatility and experience can also rock till all hours of the night with classic rock and top 40 hits! With Vita Zapper's versatility comes the ability to be suited for shows, lobby bars, restaurants, cruises, parties, weddings, special occasions, Pubs and Clubs etc.

- Fronting Vita Zapper is vocalist/guitarist "Virgil Thunderbird". The versatility of Virg's voice never goes unnoticed from the softest of ballads to high energy performances of powerful rock tunes.
- On Piano/Keyboards is "Cecil Pittman". His versatility is second to none playing intricate piano pieces to rock classics. Cec also plays bass adding another dimension to this very talented Trio.
- On Drums/Percussion and backing vocals is one of the most dynamic and talented drummers the Illawarra has seen. Felix has toured with such artists as Tommy & Phil Emanuel and now resides in the Illawarra.

Vita Zappers's diverse range of music and talented musicians will leave you wanting more...
